

## Your Home Away From Home

Upon your arrival to Caryonah (pronounced Cary-o-nah') you will be greeted by a rock entrance built from our native Tennessee stone. As you drive down the lane to our lodge you will be delighted to see beautiful lakes to fish and abundant hardwoods. A perfect setting for a rustic, yet well manicured lodge which you can call home throughout your stay. While you are here you will want to browse among the outstanding trophy room, Indian artifacts, and antique gun collection.

The high beamed "Hunters Hall" features a massive rustic stone

fireplace for swapping hunting stories or you can relax in the "Liars Hall" before retiring to your room, each with a private bath and shower.

We have been family owned and operated for over 50 years and pride ourselves in our down home Southern cooking. We serve two all-u-can eat

Tennessee home cooked meals, a big breakfast to start your day and a late lunch to keep you going. At the pavilion you can picnic or grill out for your evening meal, or you can venture to town (about 15 minutes) and dine at one of many restaurants.
